

# Ceres at Climate Week - San Francisco Sponsorship Opportunities

**April 18-26, 2026**

**The Bay Area's innovation ecosystem**, spanning technology, finance, and clean energy, creates a unique backdrop for showcasing climate leadership. At San Francisco Climate Week, Ceres will convene businesses and investors through curated sessions and high-impact discussions that spotlight emerging climate solutions, catalyze clean energy investment, and advance policies that support a just and resilient transition, with a day of programming and the Ceres Partners Reception taking place on Wednesday, April 22.

By joining Ceres as a sponsor, you'll gain a visible platform to demonstrate your climate leadership, connect with a network of forward-looking peers, and help shape the dialogue on accelerating an inclusive, sustainable economy.

## **Premier Sponsor | \$20,000**

As the Premier Sponsor, your organization receives the highest level of visibility across all event communications, digital and onsite signage, and program materials. This level includes a featured speaking opportunity during a key Ceres-led session, elevated recognition throughout Ceres' Climate Week engagements, and eight reserved invitations to the Ceres Partners Reception.

## **Reception Sponsor | \$15,000**

As a Reception Sponsor, your organization has the opportunity to elevate your brand and engage directly with Ceres' multi-stakeholder community. This level includes prominent logo placement across digital and onsite materials and a featured moment to deliver remarks at the Ceres Partners Reception, along with six reserved reception invitations.

## **Sustainability Sponsor | \$5,000**

A flexible entry-level opportunity to show your support for Ceres' Climate Week programming. Receive logo placement across digital and onsite event materials, along with two reserved invitations to the Ceres Partners Reception.
